Reference: Application No. 09/543,442
Title: Magnetic Shoring Device
Author: Maksim Kadiu (aka Max Kadiu)

Subject: Demand for an extension of examination period of mentioned application.

Dear Mr. Hartmann:

Pursuant our discussion of last week, I hereby demand an extension of three months for the examination of patent application referred above.

According to information that I obtained from US Patent Office, Department of General Information, please find enclosed a check of \$460.⁰⁰ as required for a three months period of extension of patent examination. Please let me know if any other action is required from Patent Office.

Very Sincerely,

Max Kadiu
